

# Lifelong Learning Programme

## Leonardo da Vinci Transfer of Innovation

**Priority 2: Development the quality  
and attractiveness of  
VET systems and practices**

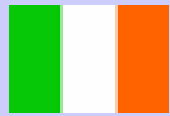

*(Vocational, Education and Training = VET)*

## Proposed Aim

- **To establish a network of European VET organisations to facilitate the import and export of best business practice in order to improve the quality of training for people who have a disability or other form of disadvantage.**

# Project Partner Organisations

NLN

Pluryn  
Werkenrode  
Groep

CRPG

The Cedar  
Foundation

EPR

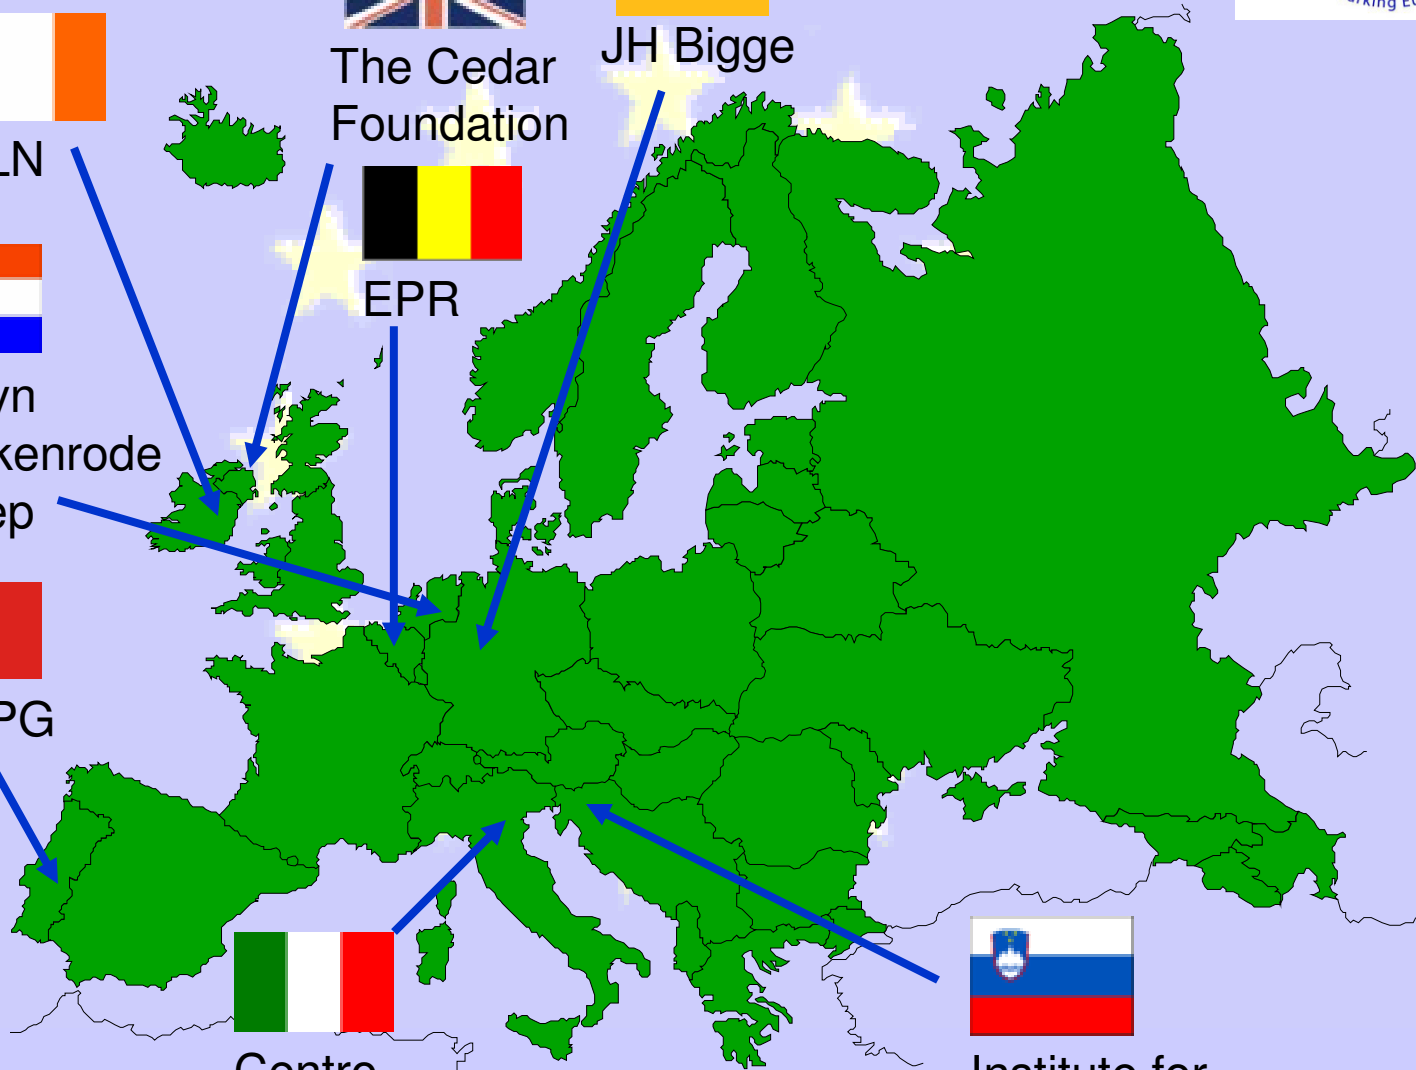

JH Bigge

Centro  
Studio

Institute for  
Rehabilitation

## Proposed objectives

- **To share best practice within the partnership**
  - **6 workshops aligned to the EFQM Fundamental Concepts of Excellence**
  - **6 corresponding best practice manuals**

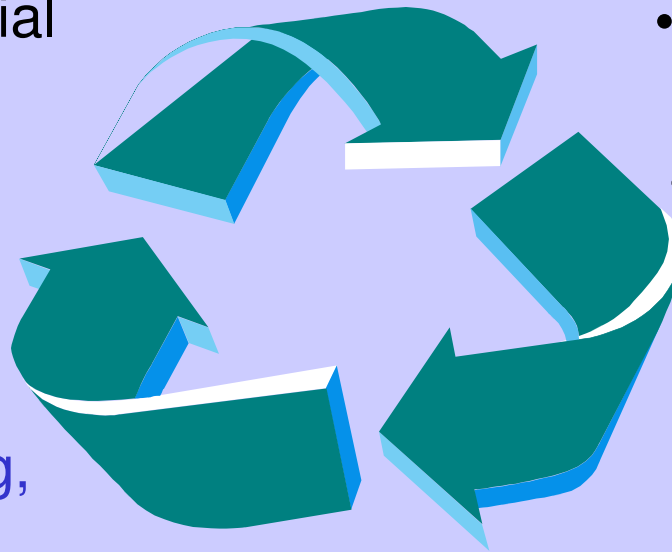

- **To enable all partners to import and apply innovative aspects of best practice within their organisation**
- **To share learning from the programme by hosting local and European dissemination events for a wider network and by making all products freely available**
